Attic Pupil Referral Unit

The Attic is an established part of Suffolk's County Council provision for children and young people experiencing social, emotional and mental health difficulties that put them at risk of exclusion from their mainstream schools. It is one of a number pupil referral units and Alternative Provisions across the county that support children throughout compulsory mainstream education.

At Attic Pupil Referral Unit we believe that every child deserves the best education to enable them to make good progress and realise their full potential.

The Attic Team works towards ensuring that when young people leave us they have developed a respect for learning and the skills and self-confidence needed to help them succeed in further education, training, employment and post-school life.

We aim to build partnerships with parents, carers and young people that are based on honesty, trust and mutual respect that underpins the support for the academic, vocational, personal and emotional development of our pupils.

It currently provides four services:

- **Attic@Hillside**
- **Attic@Walpole**
- **Attic @Dragonfly**
- **Attic@The Landing**

Attic@Hillside (formerly Attic@Lovewell Road)

The Lovewell Road site was first opened as part of the Attic PRU in 2013 to provide stimulating and high quality education for the young people attending this site. This may be in the form of group work, individual work, offsite learning, outreach, or a combination of all these opportunities.

The young people attending have the opportunity to take a range of accreditations and qualifications including GCSEs. Opportunities are also provided to support the young people to improve their attendance, behaviour, social skills and educational progress.

The site was closed in October 2017 and the provision will moved to Attic@Hillside, formerly Bungay Middle School in May 2018.

Attic@Walpole

The Walpole site became a satellite in September 2013 for the Attic PRU. Set in quiet rural surroundings in Suffolk, the centre offers a limited number of spaces to meet student's needs. Just like Attic@Lovewell Road, this site provides a stimulating and high quality education for the young people. This may be in the form of group work, individual work, offsite learning, outreach, or a combination of all these opportunities.

Attic@Dragonfly

The Attic@Dragonfly became a satellite in October 2016 and is an educational site for young people with Mental Health issues aged 11-17 years old, who are inpatients in a CAMHS Tier 4 ward. They are usually registered with another school and therefore have dual registration, combining our curriculum with their home school.

Attic@The Landing

The Attic@The Landing became a satellite in January 2017 at Beccles Primary Academy and is an educational site for young people with a diagnosis of autism. We provide intensive support for students in Key Stage Two where their diagnosis of Autism Spectrum Disorder is the primary barrier to them accessing learning within a mainstream environment. Following a successful pilot in 2016-17, the Local Authority has commissioned a second class, enabling us to cater for 10-12 students. During the Summer 2017, this provision was moved to our Attic@Assessment Centre site, providing the staff and students a greater access to space and other facilities. In September 2018, we will also opened a third class within this provision for students in Key Stage 2 with a diagnosis of Moderate Learning Difficulties who may also have Social Emotional Health Needs.
